Safeguarding liberty! Accessible workshop on human rights reforms

Date: 18th February 2022

Time: 10:00-12:30

Location: Online (Zoom)

There will be accessible information and breakout groups with facilitators for people with learning disabilities and/or autism, family carers and people living with dementia.

How can I join the workshop?

If you are interested in coming along please email SeriesL@cardiff.ac.uk. We have limited space in each breakout group, so please say which breakout group you want to join.

Please spread the word about this workshop so we reach people who's voices are seldom heard and could be most impacted by the proposed changes.
